Objection Destroyed Rebooted

EDIT

Objection Destroyed Rebooted is a series that is a reboot of Objection Destroyed. A very badly drawn series with 4 seasons and many cancelled sequel's, the sequels being ODC4CS, Land Destroyers (LD), etc.

Ject is the main character of ODC (Objection Destroyed Chronicles), He's been around since 2020 in other projects made by DTIU, originally before Objection Destroyed was "Dommoc And The Missing Gem", which was a series that was somewhat related to the Destroyed Dimension. In episode 4 of ODC1, there was a shadow resembling Dommoc. But in later episodes they weren't ever mentioned at all in the series.
along with the fact of this series being old, this series has been around before the gusher gang cinematic universe became a thing.
